

KAWAIAHAO CHURCH

Membership Meeting

April 29, 1973

Opukahaia Hall 1:00 pm

Terry

The semi-annual membership meeting was called to order by Kahu Abraham Akaka with the reading of scriptures responsively -- New Life in Ourselves and our Church. A period of silent and spoken prayers by representatives from the Diaconate, Walter Kanamu; Trustees, Dan Akaka; Council, Clem Kelliikipi; Ministry of Education, Sheila Craven; Evangelism, Ada Larrison; Music, John Akaka; Mother's Missionary, Elizabeth Nakamura; and Kahu Akaka. Affirmation of our faith by repeating our covenant and the singing of a hymn, Hana E.

QUORUM AND ROLL CALL: 62 members signed the roll book--Phillip Naone moved that quorum be established.

AGENDA: Bob Larrison moved, Bill Donlin seconded that the agenda be accepted.

MINUTES OF THE PREVIOUS MEETING: John Akaka moved for approval of the minutes of the previous meeting as was circulated.

OLD BUSINESS: None.

NEW BUSINESS: REPORTS: "GOALS AND OBJECTIVES FOR KAWAIAHAO 1973 and BEYOND"

KAHU AKAKA: The renewal of our church as amission for Christ here and in all the world is our big task for 1973 and beyond. Let us all join in hearts and hands and minds and means -- and serve the Lord with gladness in our mission.

The key verses for our future is in the reading of the scriptures earlier in our ohana.

Exciting MISSION ideas: six new deacons for ordination, exchange of deacons with island and mainland churches; assignment of deacons to new members; adding facilities to our premises to promote our Mission (Bookshop, Multi-purpose building) Ministries of Education, Evangelism, and Youth cooperating on a Teaching Mission to Micronesian churches this summer; our Choir making plans for Mission to Europe, the mainland and probably to Japan; our Young Adults reviving Worship Services at Oahu Prison; our Luau Committee has proposals for a mini-luau and a big Luau for Resoration Day.

A suggested consideration of our percentage allocations in Kawaiahao's OCWM giving was made to the Church Council as follows:

50% to our local and national work (same as before)
25% to Rev. Kaina's work among our Hawaiian Churches
25% toward our Mission work in Micronesia

The needs of our World Mission continues larger than the OCWM can support. Rev. Kaina has given very good reports of how our Hawaiian Churches have come alive and our giving through OCWM is helping in this expansion. Kahu Lee has re-established contact with Micronesia and the idea of sending 6 as training team to Micronesia would cost \$2,500.00.

Question: Arthur Lee asked: "Will they honorethe way we want our money sent? can we tell them how to use it?"

John Akaka: Send them the full amount with designation.

Philip Naone moved, Yok Lan Mehau seconded that Kahu's report be accepted with the OCWM revision.

The following were honored with Prayer of Remembrance and Aloha in their passing from this earth: Aunty Ellen Smythe, George Crabbe, Harold McGuire, Margaret Cooke and Larry Kapanui.

KAHU LEE: Reported on his "role" as Assistant Pastor in working with various groups to accomplish the goals that each group has set.

KAWAIAHOO CHURCH
April 23, 1978

To: Kahu Abraham Akaka
Members of Kawaiahao

Greetings!

I take this opportunity as president of the Board of Trustees to express my deepest Aloha and Mahalo for the sincere kokua I have received from the members of my board, Kahu Akaka, Deacons, the Council, all the Ministries and the entire congregation of our beloved Kawaiahao Church during my 12 years of service.

My very special Mahalo to my fellow board members and staff members for their willingness to serve and their efforts toward Kawaiahao's continued growth and accomplishments in the past and for future endeavors.

I am very happy to report that the Restoration Program is going according to scheduled plans. We are now in Phase I (Sanctuary interior) of the Restoration and Stabilization Program for Kawaiahao. Phase II will include the Adobe Building and Phase III, the cemetery and grounds. Donations, contributions and pledge payments are coming in as anticipated. The Restoration Fund Raising Program is operating well -- at the end of March 1978, the total pledges recorded for the three year Restoration Program total \$276, 184.00. Of that amount \$106, 243.00 are pledges from Kawaiahao Membership. Total payments collected/received as of March 31, 1978 total \$148,575.00. Join me in prayers of Thanksgiving to our Lord for progress thus far in this venture and for its continued success.

Due to the resignation of Robert Ralston, our former Business Manager, our Board unanimously approved the appointment on January 1, 1978 of James R. Mitchell. Please offer him your continued assistance and support in order to enable him to fulfill the responsibilities under his care.

Again Mahalo Nui for your excellent cooperation, support and your concern for Kawaiahao and its future.

1. The first step is to identify the problem or issue you want to address. This could be anything from a lack of resources, a lack of support, or a lack of knowledge.

2. Once you have identified the problem, the next step is to develop a plan of action. This plan should include specific goals, timelines, and responsibilities for each team member.

3. It's important to communicate your plan effectively to all stakeholders. This includes providing regular updates and feedback to keep everyone informed and engaged.

4. Finally, it's crucial to evaluate the success of your plan. This involves tracking progress, identifying successes and challenges, and making adjustments as needed to ensure that your goals are being met.

5. Remember, change management is a process, not a one-time event. It requires ongoing effort and commitment from everyone involved to achieve success.

III. REPORT

- A. State of the Church
- B. Make suggestions of Remedies, Potential Talents and Resources

1. **What is the best way to learn?**
The best way to learn is to practice, practice, practice. It's important to have a good teacher who can guide you and help you understand difficult concepts. You should also try to find ways to make learning fun, such as playing games or using interactive software.

2. **How can I stay motivated to learn?**
To stay motivated, it's important to set goals and track your progress. You should also find ways to connect what you're learning to your interests and passions. It's also helpful to reward yourself for reaching milestones, such as completing a chapter or learning a new skill.

3. **What are some effective study techniques?**
Effective study techniques include active learning, spaced repetition, and summarization. Active learning involves doing something with the information you're trying to learn, such as solving problems or creating mind maps. Spaced repetition involves reviewing material at regular intervals to reinforce your memory. Summarization involves condensing complex information into a single, concise statement.

4. **How can I improve my memory?**
There are several things you can do to improve your memory, such as getting enough sleep, eating a healthy diet, and exercising regularly. You should also try to use mnemonic devices, such as acronyms or rhymes, to help you remember information. It's also helpful to associate new information with things you already know.

5. **What are some common mistakes people make when learning?**
Common mistakes people make when learning include giving up too easily, not taking breaks, and not seeking help when needed. It's also important to avoid multitasking, as it can actually reduce your ability to learn effectively. Finally, it's important to avoid comparing yourself to others, as everyone learns at their own pace and in their own way.

Figure 1. A schematic diagram of the experimental setup. The light source (laser) emits a beam that passes through a lens and a polarizer. The beam is then directed onto a beam splitter, which splits the beam into two paths. One path is directed onto a mirror, and the other path is directed onto a lens. The beam splitter is positioned such that the two paths intersect at a point. The mirror is positioned such that it reflects the beam back towards the beam splitter. The lens is positioned such that it focuses the beam onto a detector. The detector is a photodiode that measures the intensity of the beam.

NEW BUSINESS : REPORTS

The Board of Deacons- William Donlin

The chairman, William Donlin, gave a verbal report. Due to not enough time to meet with Kahu on certain subjects that we are planning to do. That the Deacons are still working and we need some new deacons, to replace those that have gone home. And those that are asking for retirement are old in age, so we need replacements from your apana. And if you do have please let us know, who they are. An the thing is, before I can present them to you, I would have to concur with Kahu and Aunty Mealii. Before we can bring them infront of you for presentation. At this moment we are recommending, or asking to recommend, one name which is Kahili Wann, to be a Deacon for one (1) year in trial. So this is all I have.

Action Taken: Moved by Hazel Piltz to receive this report. Second by Peter Kamakawiwoole. Carried.

Discussion:

Laura Ah Leong stated that there was another name submitted to, Kuulei Soriano.

Kahu Bill, did you say Kuulei to ?

Bill that name is still on the list Kahu!

Kahu I wanted to make sure I heard right.

Bill that name is still on the list.

Kahu do you include her name with your report, is what I am getting at. I did not hear you say her name that's why. Bill, I'm trying to determine weather you want to do this.

Laura Ah Leong I would like to verify, the last time we had a meeting downstairs in the chapel, these names were brought forth; Kuulei Soriano, Kahili Wann and Carmel Kama. So two of them dropped out, that's what I heard, only Kuulei Soriano was accepted.

Kahu Bill will you verify this.

Bill verify the manes that have been brought forth now, is this, if you can who recommend your name here at the Board, go to the membership, they have to go through a trail for one (1) year. After the one (1)

Kahu Bill, did you say Kuulei to?

Kahu Bill will you verify this.

Bill verify the names that have been brought forth now, is this, if you can who recommend your name here at the Board, go to the membership, they have to go through a trial for one (1) year. After the one (1) year we would concur with Kahu, Mealii and myself. I cannot say the Board of Deacons can, but I have to get confirmation from my superiors, which is Kahu and Aunty Mealii. As for Soriano, she has been coming but, there are things she has not done, which suppose to be done, as a trainee, this is the thing that held her up.

Kahu Bill is the chairman of the Board of Deacons, so I have to listen to his report, okay. An aunty Laura is a Deacon, she was in a meeting and she commented which indicates to me that, at that meeting, there was a different feeling. So I don't know when the last meeting was, maybe there was one, aunty Laura wasn't at, Bill was at and they approved something, and this got reported. Because there's confusion at this time, I would rather not vote on the report, but defer this.
